

# Web Registration Utility FAQ for Students

The following FAQs have been provided for your convenience. If you have additional support questions, please feel free to contact Turning Technologies Tech Support at 1-866-746-3015 or visit [www.TurningTechnologies.com](http://www.TurningTechnologies.com).

## My instructor is requesting that I register my device for class using your website. How do I do this?

1. Open a web browser page, and go to <http://student.turningtechnologies.com/>.
2. Enter your ResponseCard® or ResponseWare™ **Device ID** in the box provided.
3. Enter your first and last name in the box provided.
4. Enter any additional information your instructor requires in the **Other Info** box provided.
5. Enter the security text.
6. Select **Next**.
7. Enter the instructor's email address.
8. Select **Display Classes**.
9. The instructor's classes are displayed in the left hand column.
10. Highlight the class you in which you are registering.
11. Select **Add**.
12. Select **Complete Registration** to complete registration for that class.
13. To register your device for another class, click **Restart Registration**.

## What happens if I lose my device during the semester or have to replace it with a new Device ID?

You will need to re-register the new device using the same registration process. You will need to let your instructor know that you have changed your Device ID number so that a new class roster can be downloaded.

## Still have questions?

Additional information and instructions can be found in the Support section of Turning Technologies website:
