

MOODLE™ FOR TURNINGPOINT® PARTICIPANTS

Navigating to the Turning Technologies Pane

All Turning Technologies functions are performed using the ResponseCard Registration link.

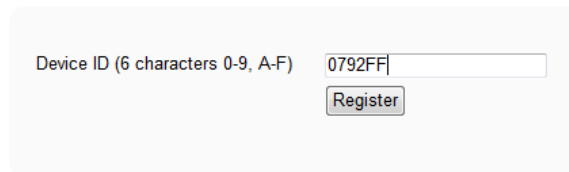

- 1 Log into Moodle.
- 2 Select the appropriate **course** from the *My Courses* menu.
- 3 Click **ResponseCard Registration** below the Turning Technologies pane.

Registering a ResponseCard Device ID

A ResponseCard Device ID must be registered to receive credit in class.

- 1 Select **ResponseCard**.
- 2 Enter the six character hexadecimal **Device ID** located on the back of the ResponseCard below the barcode.

- 3 Click **Register**.
A message appears indicating that the Device ID has been successfully registered.

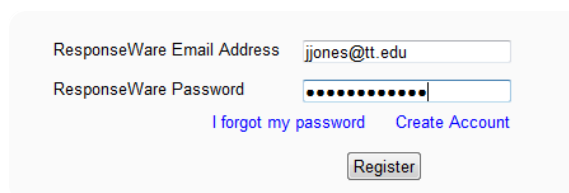

Registering a ResponseWare ID

A ResponseWare ID must be registered to receive credit in class.

IMPORTANT

It is not necessary to use both a ResponseCard and ResponseWare. Check with your instructor **BEFORE** purchasing ResponseWare to see if it is approved for use in your class.

- 1 Select **ResponseWare**.
- 2 Enter your ResponseWare **E-mail Address** (Username) and **Password**.

3 Click **Register**.

A message appears indicating that the Device ID has been successfully registered.

Editing or Deleting a Device ID

Students can edit or delete Device IDs on the Turning Technologies Device Registration page under the 'My Registered Devices' section.

1 Click **Edit** or **Delete** next to the appropriate Device ID. ResponseWare IDs cannot be edited.

My Registered Devices		
Device ID		Device Type
0792DD	Edit Delete	ResponseCard
1000BEE2	Delete	ResponseWare

2 If **editing** a Device ID, enter the new Device ID in the provided field and click **Update**. If **deleting** a Device ID, click **OK**.
